

**Texas Department of Public Safety
Texas Division of Emergency Management
State Situation Report**

Event Name	Tropical System Harvey
Date	September 4, 2017
Time	7:00 AM
Operational Period	7:00 AM 09/03/17 to 7:00 AM 09/04/17
Report Number	13

Regions Affected	
DPS Regions Affected	Regions 1, 2, 3 and 6
DDC's Active	4A, 4B, 6, 12, 14, 15, 16A, 16B, 16C, 16D, 17, 18A, 18B, 20 and 21

STATEWIDE CURRENT SITUATION: In the NWS Houston area, rain chances are expected to increase early this week, ahead of a cold front moving through late Tuesday into early Wednesday. Rain chances will quickly diminish behind the front as it pushes off shore mid-morning Wednesday. Average rainfall amounts range from a quarter to a half inch.

President Trump has amended the Texas Disaster Declaration to make additional disaster assistance available to the State of Texas. This action authorizes 90% Federal cost share for debris removal, and 100% Federal cost share for emergency protective measures for 30 days from the start of the incident period and then a 90% cost share thereafter.

Governor Abbott has issued a proclamation condemning the practice of price gouging, and reminded Texans that such practices are illegal and will be investigated and punished.

Governor Abbott has issued a suspension of specific vehicle titling and registration requirements for the next 45 days in the 58 counties specified in the state's disaster declaration. As a consequence, vehicle titling and registration expirations are suspended in order to relieve that burden upon Texans. Law enforcement will not issue citations for expired registration in all affected counties until October 16, 2017.

Governor Abbott has issued a proclamation to allow the Port Aransas Independent School District Board of Trustees to conduct a telephone meeting within a reasonable distance of the district.

Governor Abbott issued a disaster declaration for the counties of: Angelina, Atascosa, Aransas, Austin, Bastrop, Bee, Bexar, Brazos, Burleson, Caldwell, Cameron, Calhoun, Chambers, Colorado, Comal, Brazoria, DeWitt, Fayette, Fort Bend, Galveston, Goliad, Gonzalez, Grimes, Guadalupe, Hardin, Harris, Jackson, Jasper, Jefferson, Jim Wells, Karnes, Kerr, Kleberg, Lavaca, Lee, Leon, Liberty, Live Oak, Madison, Matagorda, Montgomery, Newton, Nueces, Orange, Refugio, San Patricio, Polk, Sabine, San Jacinto, Tyler, Trinity, Victoria, Walker, Waller, Washington, Wharton, Willacy and Wilson.

Governor Abbott requested and was approved for a Presidential Disaster Declaration for the following counties: Aransas, Bee, Brazoria, Calhoun, Chambers, Colorado, Fayette, Fort Bend, Galveston, Goliad, Hardin, Harris, Jackson, Jasper, Jefferson, Kleberg, Liberty, Matagorda, Montgomery, Newton, Nueces, Orange, Sabine, San Jacinto, San Patricio, Refugio, Victoria, Waller, and Wharton counties for Individual Assistance and assistance with debris removal and emergency protective measures (Categories A and B), including direct federal assistance, under the Public Assistance program.

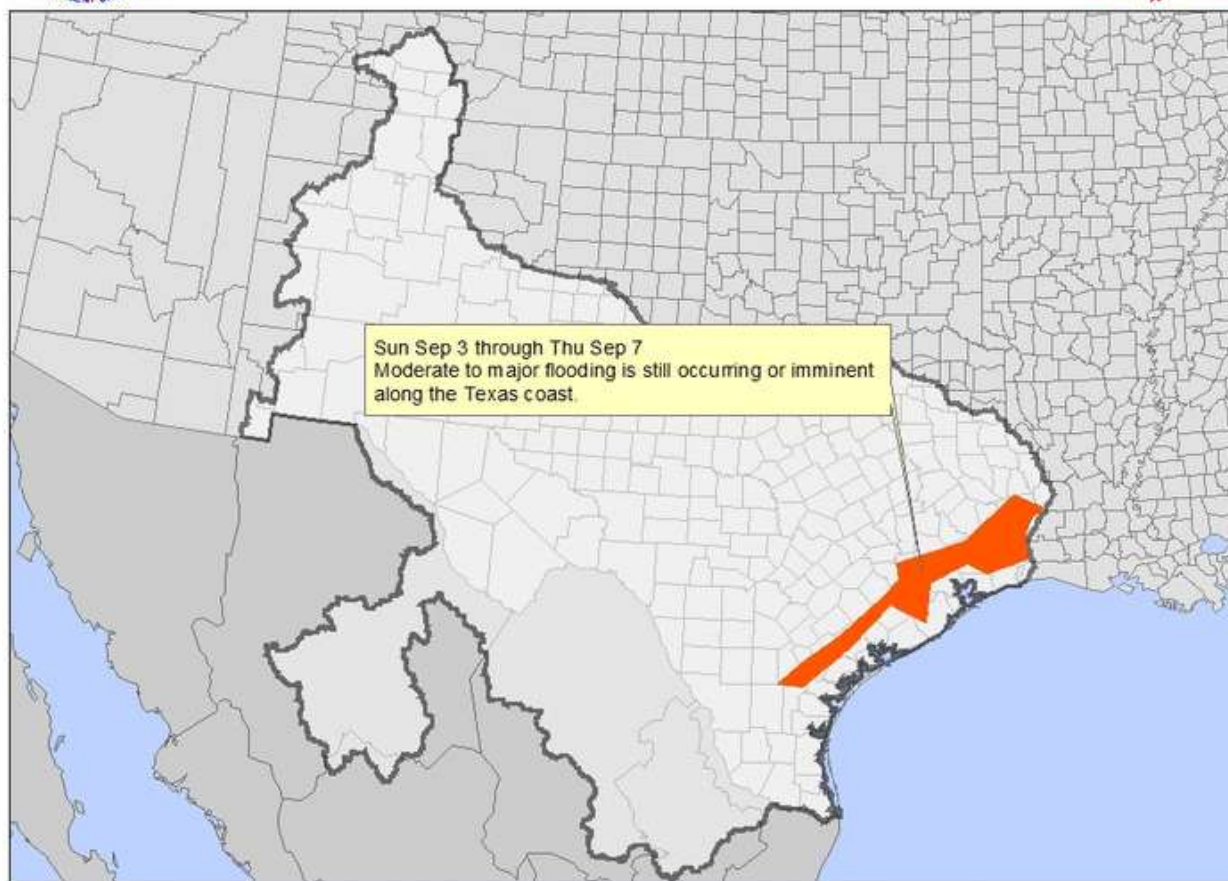

Bexar, Dallas, Tarrant and Travis counties are eligible for emergency protective measures (Category B), including direct federal assistance, under the Public Assistance program.

Significant River Flood Outlook

Valid: 9/3/2017 - 9/8/2017

West Gulf River Forecast Center 9/3/2017 10:58:31 AM

**SIGNIFICANT RIVER
FLOODING POSSIBLE.**

**SIGNIFICANT RIVER
FLOODING LIKELY.**

**SIGNIFICANT RIVER
FLOODING OCCURRING
OR IS IMMINENT.**

Significant River Flooding Impacts include:
Roads adversely affected. Residential,
commercial, industrial, and/or agricultural
areas affected. May require evacuation of people.

NOTE: Flash Flooding or Minor River Flooding
will NOT be included in this outlook.

Neches Basin – Record Flooding – B.A. Steinhagen continues to release water downstream to pass the receding flood waters from upstream. It has crested at Evadale so the entire flood is

visible at a forecast point. Village Creek gage has come back online and is dropping below moderate. That water comes in downstream of Evadale.

Downstream, Pine Island Bayou continues to slowly recede but will be in major for some time. USGS has installed a temporary gage at the Salt Water Barrier so we are seeing the flood recede there and begin to recede at Beaumont.

Brazos Basin – Record Flooding – No significant precipitation was received in the past 24 hours ending at 7AM Sunday morning.

The largest impacts (Major Flood Stage) will be occurring at the lower end of the Brazos at: the Brazos River at Richmond (RMOT2), Brazos River at Rosharon (ROST2), and Brazos River at West Columbia (WCBT2).

Current forecasts are based on 12 hours of QPF, however the next 12 hours total is 0 inches. Future QPF beyond 12 hours will have no impact on current crest forecasts, as Harvey has moved out of the area. River forecast confidence will increase as upstream crests arrive and Harvey moves out of the area. The focus will shift to timing the recession below critical impact elevations.

For the Brazos at Richmond (RMOT2) we have seen the crest early Friday morning and the river will continue a broad crest and start a recession.

For the Brazos at Rosharon (ROST2) the river is currently experiencing a barely discernible and broad second crest from upstream routed flow from RMOT2. Field reports at Sienna and LID 19, which are upstream from the JUL2 interior model point, indicated that a RMOT2 crest was beginning to trend downward at those locations.

For the Brazos at West Columbia (WCBT2), the forecast trend continues to hold as a rising pattern to 32 ft. There is significantly more uncertainty with this forecast, as compared to the RMOT2 and ROST2 forecast, because: (1) there is no measured rating curve (2) short duration of record (3) inter-basin transfer between Oyster Creek, San Bernard and Colorado River systems to form the "San Brazorado River." This pool of water is behaving more like a lake and not following typical hydrologically modeled river behavior. This pool of water is influencing both the lower San Bernard and lower Brazos forecasts. The WCBT2 point has flattened but still may turn upward. More analysis on this point at WCBT2 will be conducted this afternoon to firm up stage and timing.

San Jacinto Basin – Major Flooding – All of the basins across the San Jacinto system, including the larger creeks and bayous, have crested. Lake Conroe and Lake Houston continue to reduce releases. Addicks and Barker Reservoirs will continue releases, with Buffalo Bayou downstream remaining in flood stage/above criteria until further notice. The forecast points at Piney Point (PPTT2) and West Belt Drive (WSBT2) remain in major flood.

San Bernard Basin – Major Flooding – Heavy rainfall from Hurricane Harvey has caused major to record flooding across the entire San Bernard River basin. Stream gages on the San Bernard including East Bernard (EBBT2), Boling (BOLT2), and the new stream gage upstream of Sweeney (OCNT2) are all slowly falling at this time. Therefore Sweeney (SWYT2) should also be falling, although there are no current observations from there to confirm this. Boling and Sweeney remain in major flood.

Trinity Basin – Major Flooding – Lake Livingston continues to decrease its releases. Local runoff is also tapering off. The mainstem of the Trinity River and its tributaries have crested and are now falling at all locations. Flooding continues in the major category at Liberty (LBYT2).

Guadalupe Basin – Major Flooding – On the Guadalupe River, Victoria (VICT2) and Bloomington (DUPT2) have crested. The river will slowly recede over the next several days. Future rainfall will not significantly impact flows over the next 5 days.

Sabine Basin – Major Flooding – Major flooding continues on the lower Sabine River system from Bon Wier downstream through Deweyville (DWYT2) and Orange (ORNT2). Water should remain high for a few days in this region.

OPERATIONAL PRIORITIES:

1. Protect life and property.
2. Support rapid & effective response.
3. Collect and disseminate accurate incident information to improve decision-making.
4. Accurately track incident costs associated with assigned resources for cost recovery.

Search and Rescue Missions to date

	Personnel	Pets
THP	1,520	/
TXTF 1 and 2	25,807	330
USCG	10,953	1,379
TPWD	11,169	/
TMD	2,558	259
Total	52,007	1,968

Region 1 (Includes DDCs 4, 5, 6, and 22)

DDC 4A & 4B Hurst & Garland – EOC is at Level I. There are five shelters open with 2,425 occupants. Approximately 1,000 evacuees from Louisiana are expected to be driven into the area with 200 pets.

DDC 6 Tyler – EOC is at Level II.

Region 2 (Includes DDCs 13, 14, 15, 16 Houston, 16 Texas City, 16 Conroe, and 16 Pierce)

DDC 14 Lufkin – EOC is at Level I and is Co-located at the EOC in Jasper. San Jacinto roads have reopened.

Jasper County: EOC is at Level III. The curfew and mandatory evacuation order issued for all low-lying areas along the Neches River corridor remains in effect.

Newton County: EOC is at Level III. The voluntary evacuation has expanded to include all affected flooded areas.

Sabine County: EOC is at Level III.

Tyler County: The mandatory evacuation order issued for residents living in all low-lying, flood prone areas of the county remains in effect.

DDC 15 Beaumont – EOC is at Level I. Evacuation operations continue throughout the affected areas. The Cities of Beaumont and Port Arthur are reporting water outages.

Hardin County: EOC is at Level III. The voluntary evacuation order issued for low lying areas of Neches River, Pine Island Bayou, and Village Creek corridors remains in effect. The City of Lumberton has enacted a curfew until further notice. The mandatory evacuation of low lying and flood prone areas, and specifically the Pinewood and Countrywood Estates, continues. US Route 96 will be closed indefinitely where it crosses over Village Creek due to a partial bridge collapse.

Jefferson County: EOC is at Level III.

City of Beaumont: The City of Beaumont's voluntary evacuation order remains in effect. All sanctioned shelters in Beaumont have closed and the occupants have been relocated to Dallas.

Orange County: EOC is at Level III. Interstate Highway (IH) 10 is open from the State Line to Farm to Market (FM) 105 in Vidor. It is not open past FM 105 to the Neches River. A county-wide curfew remains in effect.

DDC 16A – Houston – EOC is at Level I.

Chambers County: EOC is at Level I. The curfew in Chambers County has been terminated.

Harris County: Harris County Homeland Security & Emergency Management (HCOHSEM) EOC remains at Level I. HCOHSEM will assess lowering its activation level. Gas leak with mandatory evacuation issued by City of Houston. Area defined as west of Gessner, East of Highway 6, South of IH-10, North of Westheimer. CenterPoint has discontinued power in the area. The Arkema Chemical Plant has experienced accelerated degradation as intended by plant personnel. All peroxides have been degraded and pose no public threat. Vector Control began September 3, 2017. TranStar is updating the inundation maps.

DDC 16B Texas City – EOC is at Level I.

Brazoria County: EOC is at Level I. The City of Richwood's curfew and mandatory evacuation order remains in effect. The City of Alvin's curfew remains in effect. The City of West Columbia's mandatory evacuation order and curfew remain in effect. FEMA USAR is being released from the County on September 4, 2017. The cities of West Columbia and Brazoria report waste water treatment failures which cannot be addressed until water levels drop three more feet.

Galveston County: EOC is at Level I.

DDC 16C Conroe – EOC is at Level I.

Liberty County: EOC is at Level III.

Montgomery County: EOC is at Level II.

Walker County: EOC is at Level II.

Waller County: EOC is at Level III. The mandatory evacuation order issued for residents along the Brazos River remains in effect.

DDC 16D Pierce – EOC is at Level III. Boil water notice continues for the Rio Brazos area. Most jurisdictions within the district are reducing their EOC activation levels.

Austin County: EOC is at Level III.

Colorado County: EOC is at Level IV. The volunteer evacuation order issued for all residents and areas adjacent to the Colorado River remains in effect.

Fort Bend County: EOC is at Level II. State resources have been attached for SAR activities. Fort Bend County curfew remains in effect until September 6, 2017. Missouri City's curfew remains in effect from 10 PM to 6 AM daily. St. Luke's Hospital of Sugarland is expected to re-open on September 5, 2017.

Matagorda County: EOC is at Level II.

Wharton County: EOC is at Level I.

Region 3 (Includes DDCs 19, 20, 21, and 24)

DDC 20 Corpus Christi – EOC is at Level II. Mosquitos are a prevalent and pressing issue. Health concerns are being monitored as a consequence. County officials are coordinating vector control efforts to attempt to mitigate arbovirus.

Aransas County: EOCs are at Level I. There is a strong need for vector control of mosquitos. 85% of water infrastructure has been repaired and is waiting for services to be restored. 80% of sewer infrastructure has been repaired. 75% of gas infrastructure has been repaired. Power is on track to be restored by September 8, 2017.

Nueces County: Nueces County EOC is at Level II. There are 18 ships anchored off of Corpus Christi awaiting inbound transit. Recovery operations have commenced to remove the fallen crane from the Paragon, to further remove restrictions upon vessel movement within the Corpus Christi Channel. The grounded ship is being held by three tugs. Texas Parks and Wildlife have demobilized from the County. Vector control crews have been spraying each night in Corpus Christi.

Refugio County: EOC is at Level I. The county is transitioning to the recovery phase. Each town within the county is under a boil water notice, and a place of refuge is available in every community.

San Patricio County: EOC at level II. Sinton POD is now located at the Holiday Beach in Rockport.

Region 6 (Includes DDCs 11, 23, 12, 17, and 18)

DDC 12 Capital District – EOC is at Level III.

DDC 12 Austin – EOC is at Level III. Recovery and Re-entry operations continue in Bastrop, Caldwell, Lee, and Fayette Counties. There are estimated to be 576 shelter occupants across DDC 12.

DDC 17 Victoria – EOC is at Level III. Mosquito infestations are ongoing, but will not see aerial spraying throughout the DDC.

Calhoun County: EOC is at Level III. SH 35 is open to traffic again.

DeWitt County: EOC is at Level III. The Thomaston River Bridge will be closed indefinitely as portions of it fell into the Guadalupe River due to the erosion of the banks.

Goliad County: EOC is at Level II.

Victoria County: EOC is at Level III. The mandatory evacuation order continues for certain areas near the Guadalupe River. Post-Acute South in City of Victoria will be able to receive patients within seven days. Areas near the Guadalupe River are still evacuated due to flooding. Citizen's Medical, DeTar Navarro, and DeTar North hospitals will be fully operational by September 5, 2017. Post-Acute North facilities will re-open on September 7, 2017 pending water testing.

DDC 18B ARCC/Bexar – EOC is at Level III.

Bexar County: EOC is at Level II. Over 1,000 responders are expected. Ongoing mission has shifted to reducing the footprint of assets in the RSA and Shelter Operations.

Karnes County: 60 people have self-evacuated in the county. They have been placed in hotels in Kenedy.

Public Utilities Commission (PUC): Beaumont has over 7,000 customers without power. Nearly half of these locations are inaccessible due to flooding. A plan is being finalized to address the Amelia substation, which should see an estimated restoration timeline to the area by September 4, 2017. Entergy is addressing a flooded Bevil substation.

Jasper-Newton Electric Coop have restored almost all meters in their service area. Power restoration will be focused on members who are capable of receiving service.

In the area of Vidor, the Lakeview subdivision remains inaccessible due to flooding.

Utility	Customer Outages as of 9/4/17 as of 1 AM
Entergy	21,872
AEP	41,953
CenterPoint	4,981
Victoria EC	3,177
Sam Houston EC	248
Jasper-Newton EC	1,022
TNMP	193
Total	73,446

Texas Office of Attorney General (OAG): OAG is pursuing allegations of price gouging related to this disaster event.

Texas Department of Agriculture (TDA): TDA is fielding calls for hay donations and pasture lands for displaced livestock. USDA Food and Nutrition Services were able to provide meals for distribution to the TDA.

Texas Workforce Commission (TWC): A regional program support manager is deployed from DFW to Houston to assist counterparts impacted by Harvey. Early damage assessments are being reported at field offices in affected areas.

Texas A&M AgriLife Extension Service: AgriLife has added three additional animal supply points in the impacted areas.

Texas A&M Engineering Extension Service (TEEX): Texas Task Force (TX-TF) 1 and 2 are activated and continue performing search and rescue operations from Rosenberg.

Texas A&M Forest Service (TFS): TFS has 242 emergency responders, 60 All Hazard Incident Management Team (AHIMT) members and 536 Texas Intrastate Fire Mutual Aid System (TIFMAS) responders to Southeast Texas. A total of 262 out of state responders have mobilized to assist TFS, 103 engines have been mobilized to assist local departments through TIFMAS and 48 boats have been mobilized to assist with evacuations through TIFMAS.

Lone Star State Incident Management Team is managing the RSA at the RELLIS Campus in College Station. The New York City FD IMT has established an RSA in Katy, as well as a receiving/distribution center at the NRG Stadium. A southern area type II IMT has established an RSA in Ford Park in Beaumont. Oklahoma State IMTs are in Victoria and College Station. Virginia IMT is in Beeville. South Carolina IMT is assisting the Beaumont EOC. The Minnesota/Wisconsin IMT is in route.

Texas Commission on Environmental Quality (TCEQ): Coordinating with Natural Disaster Operational Workgroup (NDOW) to prepare for response activities. There are 197 Public Works Systems (PWS) with Boil Water Notices. A total of 39 public work systems (PWS) and 39 wastewater treatment plants are inoperable.

Texas Education Agency (TEA): School districts affected by the impact of Harvey are made eligible to apply for Missed School Day waivers in order to address time needed to assess the extent of impacts and damages as the school year starts.

Texas Department of Criminal Justice (TDCJ): 15 LE personnel have been deployed to San Patricio County to assist in conducting law enforcement patrol operations and site security as needed. OIG currently has 12 LE personnel in the Huntsville area that can respond to any LE needs.

Texas Department of Insurance (TDI): TDI staff are in Corpus Christi to help consumers with insurance questions and claims, and support local law enforcement in their efforts to deter fraud.

Insurance company mobile claims units are in Aransas Pass, Conroe, Corpus Christi, Cypress, Humble, Katy, Refugio, Rockport, San Antonio, The Woodlands and Victoria to help Texas policyholders with claims. TDI staff are in Corpus Christi to help consumers with insurance questions and claims, and support local law enforcement in their efforts to deter fraud.

Texas Department of Public Safety (DPS) Texas Division of Emergency Management (TDEM): State and District Coordinators throughout the state have been deployed to different jurisdictions for mission support.

Texas Department of Public Safety (DPS) Texas Highway Patrol (THP): 1,340 personnel have been activated, with 15 boats and eight all-terrain vehicles (ATV).

Texas Department of State Health Services (DSHS): Since the response to Hurricane Harvey began, over 187 missions have been completed with over 1,700 patients evacuated. The majority of medical resources are operating in the Beaumont, Port Arthur and Orange areas to support patient care operations. One Type I mobile medical unit (MMU) that was supporting operations at Jack Brooks Airport is expected to demobilize within the upcoming operational period. A Type I Heavy MMU is operational in Orange County supporting medical operations and have seen over 100 patients in the last 24 hours. One medical shelter remains in San Antonio and has a capacity of 105 beds with a current census of 45. The medical shelter at the NRG Stadium has reduced to a capacity of 100 beds with a current census of 21, but may increase due to the GRB shelter closing down. Disaster Medical Assistance Teams (DMAT) are currently supporting operations in Dickinson, Rosenberg Fairgrounds, the NRG Stadium, GRB Convention Center, Hardin County, and Port Arthur. Federal ambulances, both air and ground, have begun demobilizing as well as an EMTF MMU. DSHS has 25 Public Health Region (PHR) staff deployed to the affected areas with an additional 67 PHR staff activated across the state.

Texas Department of Transportation (TxDOT): Maintaining staging areas in Sugarland and Beaumont. There are over 2,400 personnel and over 2,000 pieces of equipment deployed performing restoration, flood control, debris removal and traffic control. Bridges across the impacted region are being assessed.

TxDOT is reporting dirt/debris and/or water over the roadways in: Brazoria, Chambers, Fort Bend, Harris, Jasper, Jefferson, Liberty, Orange, Tyler and Washington counties. Travel is discouraged.

TxDOT is reporting roads closed due to flooding in: Bastrop, Brazoria, Chambers, Fort Bend, Hardin, Harris, Jasper, Jefferson, Liberty, Matagorda, Newton, Orange, Washington and Wharton counties.

Texas Military Department (TMD): Currently active in 25 different locations across the State. TMD has approximately 16,361 personnel mobilized in support of civil authorities in response to Harvey Operations, with over 882 vehicles, 60 boats, 33 rotary wing and 9 fixed wing aircraft. 10 Shelters, 3 Evacuation Hubs, 16 PODs, 475 High Profile Vehicles are currently operating in 11 Disaster Districts with aircraft and crews currently operating out of fixed and temporary bases within and outside of the affected areas. Communication support is currently positioned in Grand Prairie and Camp Swift. Administrative support is currently in place at Camp Swift (Bastrop), Camp Mabry and at the State Operations Center.

In the past 24 hours, TMD and state partners have transitioned from search and rescue to commodity distribution, doubling the number of active PODs from 8 to 16.

Task Force Avalanche was established to provide control of all armed units in the JOA. TMD continues search and rescue operations with partners through the direction of TX-TF1 in support missions throughout the affected areas. Additional active duty component resources are expected to arrive, bringing 3,153 soldiers and 10 rotary wing aircraft to stage at Kelly Field in San Antonio.

Texas Animal Health Commission (TAHC): VET has been deployed to several counties to support animal needs. USDA APHIS personnel are reporting to the AROCC to assist with coordinating companion animal sheltering and response operations. TAHC is coordinating carcass removal operations across the impacted areas.

Texas Parks and Wildlife Department (TPWD): Texas Game Wardens and State Park Police Officers statewide are coordinating joint response activities with Arkansas Game and Fish Commission, South Carolina DNR, and Florida FWC Search and Rescue teams (393 total personnel). SAR operations continue in DDCs 14, 15, and 16, with concentrated efforts in Brazoria County, and the Deweyville/Beaumont/Port Arthur/Orange areas.

Response efforts have resulted in the combined removal of 11,169 persons in water-related rescues and air evacuations. Other activities include welfare checks, curfew enforcement, damage assessment, and law enforcement patrol. TPWD is currently housing 1,051 evacuees in Texas State Parks.

Civil Air Patrol (CAP): CAP aircraft are conducting image collections from the Corpus Christi impact area to the Beaumont and Port Arthur impact areas, and every major river. CAP will be flying 40 aircraft per operational cycle in morning and afternoon waves to cover all target requests. 68,000 images have been provided to the State so far.

The Salvation Army (TSA): One area command and 13 incident command posts remain active. Seventy mobile feeding units are supporting shelter operations, first responders and communities. Two field kitchens are deployed in Houston and Beaumont.

American Red Cross (ARC): Working with government partners and elected officials to undertake shelter consolidation throughout the affected counties.

FINAL COMMENTS: The State Operations Center (SOC) is at Level I (Emergency Conditions) as of 1:00 PM on August 24, 2017. The Texas Division of Emergency Management (TDEM) continues to monitor the situation and will provide additional situation reports as needed.

The four levels of SOC activation are:

- Level I (Emergency Conditions)
- Level II (Escalated Response Conditions)
- Level III (Increased Readiness Conditions)
- Level IV (Normal Conditions)

*This Situation Report can be found on the TDEM webpage at:
